Julio's Update

I am excited to share how the **CEF Rochester ministry has grown** over the past few years. When I became director, there were only a few Good News Clubs in the area. Last year, we had **7 Good News Clubs** serving children in Rochester and the surrounding communities, including LeRoy and Warsaw.

We have faced challenges in getting Good News Clubs into various school districts. Some schools already have individuals leading religious clubs, while in other communities we continue to seek opportunities to minister in schools and community centers.

Not only have we been able to establish Good News Clubs, but we are also beginning to get **Action Bibles into public schools**. We started with School 42, and, Lord willing, we will be able to provide them to other schools as well.

This summer, we have also had the opportunity to **teach children about God at a local shelter**. Mothers have participated in a Bible study while the children have been taught through Good News Club.

Please pray for our **leaders and volunteers** as they prepare to minister this fall. May the Lord continue to **open doors to reach children for Christ**.

Thank you so much for your prayers and financial support of CEF!

Julio Negron
CEF Rochester Director

Warsaw Good News Club – Praise & Prayer

- **Praise God for 8 students who attended Bible camp this summer!** Please pray that they will remember what they learned and continue to grow in their knowledge of God's Word.
- We also praise the Lord that **staff is in place for this year's Good News Club**, including both adults and teens. We are especially thankful for a returning male volunteer who faithfully served last year with the older boys. Please pray that the Lord will provide a **teen boy to partner with us this year**.
- **Good News Club begins October 1!**
- **Please pray:**
 - For our staff as we prepare for the new year
 - That the Lord will **bring the children He wants to attend**
 - That we will be able to **distribute flyers widely**
 - For **safety** as we walk to the church and participate in GNC activities
 - That the **families of our clubbers will be drawn to the Lord**

If your church would like someone to make a **short presentation about the Warsaw Good News Club**, please contact us.

From the Shelter

This summer, we have been blessed to teach children at a local shelter using **CEF materials**. The children learned about **Daniel and his friends being obedient to God**, including lessons about eating fruits and vegetables. They also learned about **Jonah**.

We are thankful for the opportunity to **share God's Word** with these children and are excited to see how the **Lord will continue to use this ministry**.

Thank you to all of our **faithful prayer partners**. You are such an **important part of this ministry!**

Your donations will allow us to share the saving Gospel message with more boys and girls in the Rochester area and beyond. Your gifts are investments into eternity.
