

A ministry update for Child Evangelism Fellowship of Rochester and the Quad County Area

Julio's Update

- ❖ I have been meeting with several pastors to explore **partnerships with CEF** as we work together to **win children to Christ**.
- ❖ **School 42 restarted Good News Club on November 4th**. I was able to read **Christian-themed books** to two classes, and I am hopeful to **promote Party Clubs during lunch** to encourage more students to attend GNC.
- ❖ **Warsaw held GNC on January 29th with 26 children in attendance** and had a wonderful time.
- ❖ **LeRoy had 14 children attending** on the first Thursday of January and again in February.
- ❖ **Pittsford GNC met on February 3rd with 5 children**, and the group is **slowly growing**.
- ❖ **Cedars of Chili will host a CEF Party on February 21st**, and the team is excited to **minister to the children**.

Thank you for your continued **prayer support and encouragement!**

Warsaw GNC Updates

- The club recently completed a study of **Moses and the Law**. During discussions about the **Commandments**, many children expressed **conviction** and began seriously reflecting on their lives. God is calling them toward **real life change** in a culture that often points the opposite direction.
- Next week, the club will begin a New Testament curriculum, **"The God Who Cares."**
 - *Please pray that the children will **continue attending, grow in their understanding, and come to love Jesus**.*
- **Camp Scholarships & Bible Memory**

A church has graciously agreed to cover **camp scholarships to Bliss Summit Bible Camp**. Children are now being encouraged to focus on **Bible memory**, with about **three months remaining** to earn their scholarships.

 - *Please pray that **parents will support their children** in this effort and that the **verses will be retained for life**.*
- **Reaching Non-Christian Families**

Earlier this school year, we asked for prayer for ways to help **non-Christian families connect with Jesus**. We partnered with **Castile Baptist Church**, which rented a local theater for a parenting movie to launch their **eight-week parenting group**. Our team provided childcare and turned the time into a **GNC Party** to support parents and introduce families to CEF. **25 people attended**, and we were thankful for the opportunity to **build relationships in a new way**.
- **Sharing the Good News**

Right before Christmas break, we taught the **Christmas Story**. When asked if they had heard it before, only about **25%** of the children raised their hands. Praise God that we can **share the Good News!**

 - *Please pray for the many **children who have never heard the story of Jesus** and are **not yet attending GNC**.*

Thank you for being faithful **prayer partners**. Your prayers are an essential part of **reaching children and families** in Warsaw and throughout the Rochester area.
