

## A ministry update for Child Evangelism Fellowship of Rochester and the Quad County Area

### Julio's Update

- ❖ **School 42** had **13 kids signed up**, with **4-5 children attending regularly**. I was given **10 minutes** during **two lunch periods** to share about **Good News Club** and present the **Gospel**. We are planning to restart in January.
- ❖ I am seeking opportunities to connect with **local radio stations** to share about **CEF in Rochester**.
- ❖ We are hopeful for **new opportunities** to launch additional **Good News Clubs in 2026** and ask for **prayer for volunteers** as we continue to grow the ministry.
- ❖ **Albion Recreation Center** has expressed interest in starting a **Good News Club**, and follow-up is planned for **2026**.

Thank you for all your support throughout **2025**, and we pray that **2026** will be a year of growth for **His glory!**

#### ➤ Warsaw YMCA

"Our GNC has been going amazing. Praise God. We have 28 kids that come - about half of them haven't heard about Jesus. Praise God for this opportunity. Also, please pray for open hearts."

As always, though, there are children who enjoy seeing where the boundaries are. I'm so thankful that God is amazing. So often, the answer with their behavior is prayer. God is so good, and he does amazing things. Please continue to pray for this with us as some of the children are very challenging.

I've been trying to mentor teen leaders more than ever. For the most part, it has been fantastic. However, one girl (who is a brand new Christian) is very difficult to get ahold of. It isn't her fault. Her mom is a bit antagonistic towards Christianity and doesn't tell her when I text. However, the girl still helps almost faithfully. What a praise! I can't imagine what it must be like to have a mom who doesn't love Jesus and help me. Please pray for our teen helper.

Finally, so many of our kids want to go to camp. They can get there by memorizing verses. However, so many of the kids come from families where spiritual disciplines are nonexistent. Please pray for these kids as they try to do something completely new. Please pray that God implants himself & his word in their hearts."
