

A ministry update for Child Evangelism Fellowship of Rochester and the Quad County Area

Julio's Update

We recently submitted **two children's Bibles**, along with a letter to the **principal and librarian**, requesting that they be added to the school library. **Lord willing**, these Bibles will be accepted, and we hope to expand this effort to other schools in the future.

We are continuing to **minister** at **School 42, Pittsford Elementary School, LeRoy School**, and the **Warsaw YMCA**. I am also working to connect with a **church in East Rochester**, with the hope of forming a partnership that could lead to starting a **Good News Club at East Rochester Elementary**.

We have a couple of upcoming **fundraising opportunities**, and we would greatly appreciate your support:

CEF Updates – Featuring Warsaw Good News Club

- As the year begins to **wind down**, we are celebrating what the Lord has done. During early registration for **Bliss Bible Camp**, **6 students qualified for full camp scholarships** by faithfully **memorizing Scripture and explaining its meaning**. **Praise the Lord!**
- When asked, *“What did your child learn in Good News Club?”* here are some of the responses:
 - **Maggie:** *“I have learned that you should always **trust God**, even when it’s hard.”*
 - **Sapphire:** *“God is **good and patient**, He is always there for us even when you are in trouble.”*
 - **Gregory:** *“Gregory has learned to **love himself through the Lord** and what it means to **put your faith in the Lord** and how to **trust him**.”* Gregory’s journey has also impacted his family, as he is now **sharing the Word of God** with others. He is attending **Warsaw First Baptist Church** and has begun participating in **AWANA Club** in Wyoming.
- We are also encouraged by how God is working through our **teen helpers**:
 - **Katelyn:** *“I learned that it is really fun to **teach God’s Word to kids**. It helps me learn too. My kids that I work with **pick up the Bible stories and lessons quick**.”*
 - **Emily:** *“I have learned to **put others first** and **how to lead** the kids while still **being their friend** and get to **know them**. I have also learned how to **serve others better**.”*

We are so thankful for the **local church** that is helping provide these **camp scholarships**, and we praise God for how He is working in the lives of both the children and the teens.

Thank you for your continued **prayers, support, and partnership** in reaching children with the Gospel.
