

A ministry update for Child Evangelism Fellowship of Rochester and the Quad County Area

CEF Rochester at the YMCA

We had the opportunity to share the Gospel of Jesus with about 27 children at the YMCA. Praise God!

Julio's Update

Some of our **Good News Clubs** are just getting started this month, including Warsaw and LeRoy.

The ladies continue to minister at the shelter. My wife and her friend lead Bible studies with the mothers, while a couple of ladies lead a Good News Club for the children. These ministries take place on the **second and fourth Tuesday evenings of each month**. During that time, I've also been blessed with the opportunity to **mentor a teenage boy**, often taking him to Bill Gray's with his mother's permission.

We also have an opportunity to hold a **CEF party at Fairport Evergreen**. We are working to find volunteers and set a date in November. Fairport has many families, and we look forward to sharing Christ with their children. We are grateful for how the Lord has opened this door, especially as local school districts are making it increasingly challenging for outside groups to participate.

Please pray for open doors to share CEF programs, volunteers to be trained, and faithful financial and prayer partners.

In Other News

- Please pray for **Cedars of Chili**. We had to cancel our October event because no one was available to unlock and lock up the community center. They are short-staffed, and the maintenance team is unable to come in on Saturdays. The children look forward to CEF events, and we hope to find another date and time to gather with them.
- We'll share updates next month on how the **Warsaw and LeRoy Good News Clubs** went in October.
- Lord willing, we'll also have opportunities to hold **CEF Christmas parties** and share the Good News through our clubs, helping more children learn about Jesus.
- We are so grateful for our **financial and prayer partners** and your continued support. Thank you so very much!
